

**MEDICA 2006**  
**November 15 (Wed) - 18 (Sat), 2006**  
**Düsseldorf, Germany**  
**<http://www.medica.de>**

Washington State invites you to exhibit in the world's largest and most prestigious medical trade fair. MEDICA 2005 attracted more than 137,000 trade visitors from nearly 100 countries, making it the ideal location to gather market information and make contacts with potential partners. Join the Washington Pavilion (part of the US Pavilion) where we offer Washington companies a cost-effective way to participate and assist you to enter and expand in the German market.

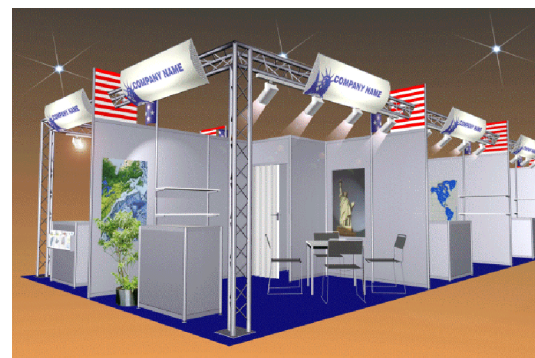

**MEDICA Overview**

38<sup>th</sup> World Forum for Medicine, MEDICA is the world's largest medical trade fair where innovative medical technology from around the world is gathered. The 4,000+ exhibitors represent a wide range of innovative products in electromedical equipment, laboratory equipment, diagnostics, drugs, physiotherapy orthopedic technology, rescue and emergency equipment, consumer goods, information and communications technology, facility management, textiles, medical furniture and equipment and building technology. The show is seeing unbroken registration across all category areas, covering issues regarding in-patient and out-patient care. MEDICA remains a platform for business opportunities and a complete market overview of the latest trends and products.

**Washington State Pavilion**
